

THE MUNICIPAL COUNCIL OF VACOAS-PHOENIX

The public is hereby informed that the Municipal Council of Vacoas-Phoenix is making necessary arrangements to provide scavenging services within the Township following the lockdown announced by the Prime Minister.

Please note that only household wastes, that is, kitchen wastes will be collected. No branches, bulky wastes and electronic wastes will be collected.

The Public is requested to dispose of their wastes in sealed plastic bags or proper containers by the side of the road upon arrival of the Municipal scavenging lorry for collection of same.

Furthermore, due to the Covid-19 and confinement measure, there will be a disruption in the regular service and the Council relies on the collaboration and understanding of inhabitants for the smooth running of the service.
